In a joint like this...Who would of thought a little joint back in 2008 with just about 35 seats no heat or A/C could turn into a cool big joint like this. Ok, I am biased. Trish and I would like to thank Lafayette in making our dreams come true of bringing great food and atmosphere to our friends and even our enemies.

For the record...No! you can’t have ketchup on your hot dog. No, you should not cut a sandwich in half. Yes! Jameson is already made perfect, so don’t add anything to it.

Really cant help it, I am a die hard Chicago fan and will chest bump, high five and take a shot every time my team wins!

Thanks for coming to my corner bar not on the corner, in the neighborhood with friends from just about every neighborhood.

Ask anyone...there is a JAMO rumor going around!
My home town of Chicago is known for some of the best beef, steaks, meats and, of course, hot dogs, in the world. So, I am very proud to say all Kirby’s burgers come loaded in a truck and shipped fresh to Lafayette from Chicago almost daily. Not only are they 100% all beef steak burgers, they are made just for Kirby’s. This means if you want a great burger cooked medium rare, seasoned with my personal beef rub, on a variety of fresh buns from Chicago bakeries and our friend at Great Harvest of Lafayette...well, you are at the right spot!

All burgers are ½ lb. and made fresh to order medium rare, if you want it your way, we understand, may not agree, but understand. Please note, if you order it well done the scream you hear is from me killing my perfect, all-beef, steak burger. I take great pride in my kitchen and I know they are dedicated in you getting the best burger. So if it takes a little longer it means they are spending more time to ensure nothing but our best. By the way, WITT means “with everything” (lettuce, tomato, onion and pickle).
